

ARE YOU...

...looking for a responsible position in organising international activities to connect Science with Society?

...available from July until December?

...in your master phase or starter looking for work experience?

...MEET AESIS!

The Network for Advancing and Evaluating the Societal Impact of Science, a young, international network, managed by ScienceWorks.

We bring together stakeholders in academia, government, industry and society to exchange best-practices for measuring, evaluating and stimulating societal impact

The AESIS team is looking for a new colleague to fill the intern-position:

Project Manager 'Impact of Science'

We are looking for someone who:

- Likes to engage in challenges and is motivated;
- Has demonstrable organisational experience;
- Enjoys organising and networking;
- Has excellent command of the English and Dutch language, both in writing and speech;
- Can communicate clearly and effectively;
- Is flexible and doesn't have a 9 to 5 job attitude;
- Likes to work in an international and commercial environment.

Responsibilities:

- Organisation of an international **Webinar** and **Training Course** in **Vienna** for policy makers and science funders;
- Preparations for the **international conference** on Social Sciences and Humanities in **Cardiff**;
- Maintaining **day-to-day activities** for the network: updating the website, writing articles for our newsletters and updating social media;
- Assisting in **extending** the AESIS Network membership by initiating partnerships and developing new activities.

We offer:

- The possibility to develop and organise international activities for young network around the theme of societal impact of science;
- Contact with international key experts and stakeholders on science funding, science policy and research management, and the possibility to take a visible network position for yourself;
- A position with much responsibility in a small, informal and dynamic organisation with many learning opportunities.

Interested?

Want to work within a small but dynamic organisation in an office in the heart of The Hague?

Contact **Eline Kemperman**, office manager at AESIS, via e.kemperman@aesinet.com or +31 (0)70 346 25 05.

This job-vacancy will close once the most appropriate candidate is found.
